STUDENT ADMISSION APPLICATION

Calvary Bible Institute Japan

A Calvary Bible Institute Extension Campus in Okinawa, Japan

Dear Applicant,

We are grateful to Jesus for your interest in studying at Calvary Bible Institute Japan. Through this introductory letter, we hope to give you a better understanding of the program we offer. We'd like to get to know you better, also, through this application!

From the beginning, we want you to know that your study in Japan will not be easy. You must be prepared spiritually, physically, and mentally because you will be serving on the front lines. You will experience "hands on" missionary work, along with its headaches and triumphs. All we can promise you are difficulties, loneliness, frustration, homesickness, frequent enemy attacks and culture shock challenges common to missionaries. God promises fullness of joy and perfect peace, to those whose mind and hearts are locked onto Him.

The Lord has given CBI Japan the specific task of training national and international students in the Word of God and sending them out to establish Bible teaching fellowships throughout Japan and the world. Because of the nature of this ministry, we ask that you remain focused and single-minded during your time here in Japan. This means that your time here is not a vacation but a time for you to draw near to the Lord and grow in the things of God. Worldly temptation is great, so we would discourage those struggling with drugs, alcoholism, and sexual addictions from applying. Your testimony is vital to the effectiveness among the people you are ministering to. Keep Paul's admonition from 2 Timothy 2:3-4 in mind: “Endure hardships with us like a good soldier of Christ Jesus. No one serving as a soldier gets involved in civilian affairs - he wants to please his commanding officer.”

Continuing, please complete the entire application form, including each component listed. For references, choose three people who are not related to you, whom you have known well for at least one year. One reference must be from a pastor. The reference forms should be returned to you signed and sealed in an envelope which you will mail with your application packet or scanned and directly emailed to *calvarybibleinstitutejapan@gmail.com* The personal information you provide in this application will be held in confidence.

Students have the right to inspect their files. Because of the importance of preserving the confidentiality of a reference, an applicant may waive his/her right of access to the reference. By signing below, the applicant willingly waives his/her right to see the references prior to enrollment. This waiver is not required as a condition of admission.
